CHARDONNAY

I.G.T. VENEZIA GIULIA

Chardonnay is a grape variety of French origin that is widespread throughout the world and finds a very intense expression of its characteristics in Friuli. It is a very versatile grape variety that lends itself to various interpretations: our still version highlights its fruity and floral aromas and its delicate structure.

format 750 ml

GRAPE VARIETY

Chardonnay

PRODUCTION AREA

Eastern Friuli, Italy

SOIL

Alluvial

HARVEST

At the correct degree of ripeness

VINIFICATION

White wine vinification

TASTING NOTES

Straw-yellow colour with golden hues. Floral bouquet recalling acacia and elder flowers. Fruity on the palate with white peach and apple in evidence; mineral and bread crust notes; fine, full and harmonious with the right freshness
