

# DODIS

## FRANCONIA

I.G.T. VENEZIA GIULIA

Franconia is a grape variety with probable Croatian origins, which then spread to Austria and Germany, where it is known as Blaufränkisch. It was the Austrian domination of our lands that introduced this vine in the late 1800s. It best expresses its characteristics today on alluvial soils.

format 750 ml

### GRAPE VARIETY

Franconia

### PRODUCTION AREA

Eastern Friuli, Italy

### SOIL

Alluvial

### HARVEST

At the correct degree of ripeness

### VINIFICATION

Red wine vinification, with maceration on the skins in steel vats, where the wine refines until bottling
