

# DODIS

## SAUVIGNON

D.O.C. FRIULI COLLI ORIENTALI

Sauvignon is a vine of French origin that is widespread throughout the world. In Friuli, it has found one of its chosen lands, especially in the eastern hills where, thanks to very favourable pedoclimatic conditions, it best expresses its aromatic heritage, offering excellent sensations.

format 750 ml

### GRAPE

Sauvignon

### PRODUCTION AREA

Eastern Friuli, Italy

### SOIL

Marl and sandstone

### HARVEST

At the correct degree of ripeness

### VINIFICATION

White wine vinification
